Even though the apostles had lived with Jesus for three years, been witnesses of His miracles, and saw Him risen from the dead, it was not until they received the outpouring of the Holy Spirit on the Day of Pentecost that they were filled with courage to proclaim the Gospel to those around them.

The Sacrament of Confirmation is the reception of that same Spirit, completing our initiation sending us out into the community to tell others of the Risen Lord.

## POPE LEO XIV

White smoke signaling the election of Pope Leo XIV filled the sky before the Holy Father addressed the Vatican crowd with a message of peace. His greeting, which matched the first message from the Risen Christ, followed many messages encouraging welcome for all. As Cardinal Robert Prevost, he said, "Our work is to enlarge the tent and to let everyone know they are welcome inside the Church." Thank you for welcoming others into our school communities.

02

## FINAL WEEKS

June is always busy as we balance the work of completing one school year while beginning preparation for the next school year. Students are showing incredible learning and growth. Meanwhile, staff in schools and at the Catholic Education Centre are busy hiring more staff as our student enrolment jumps above 14,000. We will also approve and submit the 2025-2026 budget this month.

03

## FAREWELLS, GRADUATIONS & RETIREMENTS

To all our graduates and retirees, your contributions have left an indelible mark on RCSD, shaping futures and building legacies. Thank you for your dedication, and congratulations! Students saying farewell to their elementary years, we wish you every success in high school. May God bless you all in your next steps. We pray for success in all transitions, and in reaching your 2024-2025 goals.

04

## WRAPPING UP

The end of this school year brings closure to two of our school communities, St. Peter School and St. Michael Community School. As past and present students and staff reflect upon their time in those classrooms, we ask St. Peter and St. Michael to pray for the continued success of the community as it becomes the new St. Raphael School.

## Thinking Faith S02E08: Youth Ministry: Making a Mess with Michelle Braden and Braden Kuntz - Part 1

In this part one of two episodes, Deacon Eric and guests Michelle Braden and Braden Kuntz from the Office of Youth and Young Adult Ministry discuss the impact of Pope

Francis' approach to youth ministry. Commemorating Pope Francis' passing, they explore his efforts to reach the most marginalized in the church, including young people, and highlight the significance of creating spaces for authentic spiritual engagement. The discussion underscores the evolving challenges and opportunities in youth ministry, emphasizing the importance of relational accompaniment and the continued relevance of church traditions in a rapidly changing world.

## Stewardship Bulletin Bit

*"The Advocate, the Holy Spirit whom the Father will send in my name, will teach you everything and remind you of all that I told you."* - John 14:26

The materialism of our society lures us to concentrate more on what we want than on what God wants for us. The relativism of our world tells us that we should be tolerant of all things, that there is no absolute truth. Pray to the Holy Spirit to transform our lives and to guide our thoughts, words and actions. What you put in your mind, heart, and soul affects your actions. Put good things in and good things will come out.
